

# THE BUSINESS OF Machine Quilting

## One on One mentoring with Angela Walters

### Welcome

Thank you so much for your interest in taking the next step with me. Now you can sit down and ask me all of the things you've been dying to know as I help you your through your business journey!

Are you eager to start your own business but aren't sure how to get your feet on the ground? Are you stumped with that Quilting technique or pattern and need some direction getting "out of the ditch" or have questions about your machine? You are not alone! Now you can get valuable business advice in the comfort of your own home while we connect via Skype.

No topic is off limits! I will share my advice and experience on all aspects of my business; professional machine quilting, blogging, fabric design, getting published, growing your business and more. Choose from two different options:

### **BOOST \$100/hr**

BOOST is a one-time session to get you revved up and on your way. Perfect for the creative businessperson that needs advice for a particular subject. Billed in 30 minute increments with a minimum of 1 hour.

### **BREAKTHROUGH \$300**

Sometimes running a business is more like a marathon. With the BREAKTHROUGH package, you will get 3 different 1 hours sessions with a 30 minute follow-up session for free! Great for creatives that want help setting goals, making a plan and succeeding!

### **What to expect:**

Before each session, all clients will have the opportunity to fill out a questionnaire detailing their situation, goals and questions allowing us to get right to business. As an added benefit, after the session you will receive a video recording of the conversation to use as reference.
